True Con

Fancy getting your hands on a young stud? Joanne from Milton Keynes certainly did...

Since I got married quite a few years ago I have often looked back with longing to the carefree days when I could just go out on the razzle with my friends and pull a good looking bloke no problem.

Three kids later with a mortgage and a few inches on my waist I have lost a little of the confidence I once had, but the same opportunities for casual nookie are lacking. I mean I still look good, but the truth is that, above all else, I wish I was still the same age as I was when I was free. I suppose that's why I still lust after younger men. Nowadays you get people saying "at your age we're talking about wanting a toy boy", and, in a way, I suppose they would be right. It's only that I get off on the memories of the 'just drop your knickers' type sex I used to love so much.

Of course I still go out with my friends, but it feels more like a sensible gathering now. Then, just last week, some of my friends suggested that we hit a club after our usual Friday night drinks at the local, 'just for a change'. My hubby and I take it in turns to stay with the kids on a Friday night to keep up with our respective mates. Well, it did certainly did make for 'a change' for yours truly!

I hadn't stayed out that late for ages, but one phone call home and I was off in a taxi with the ladies to revisit one of my favourite clubs down town. Determined to have a good laugh I downed a couple of vodkas and got up on the floor dancing with the girls. We were having a right good time, swaying our hips and imitating strippers, when I felt a body press up unusually close behind me, and I was shocked to feel rough male hands feeling me up.

"I rubbed my arse against his crotch"

Giggling, I turned to look at my new 'dance partner', and ended up smiling wide when I found that I was being groped by a tall, really hot looking young man. Fuck, it was just what I needed to make me feel great, so I went with the flow.

His big rough hands felt incredible and my nipples hardened almost instantly as a slow, tingling warmth spread down through my body to my pussy.

My face must have betrayed me, because the next thing I knew he'd pushed his thigh between my legs, rubbing the rough fabric of his jeans against my crotch and taking my arousal levels up to nearly fever pitch. My dress had ridden up my thighs, so that I knew my arse-cheeks must have been peeking from beneath the hem. But I was so bloody horny by this time that I couldn't have cared less. I needed to get laid! Anyway, the way this young guy and me were dancing, trying to keep pulling my skirt back down would have been pointless. And besides, it added to the feeling of total abandonment that was making me hotter than ever. His hand was right up my arse and he was thumbing my ring as he put his head next to mine and whispered he was going to take me somewhere away from the crowd and give me a proper sorting if I was up for it. The vodkas gave me courage, and I also knew that a chance like this no longer comes along very often. I nodded and he took my hand and led me from the dance floor, past the bar and into the ladies.

It was pretty luxurious in there, because they've renovated since I was last in the club, and a number of younger women

visit www.paulraymond.com

fessions!

were standing chatting in front of the mirrors. But with the cheek and confidence of youth, my young man ignored the girls and just pushed open a cubicle, pulling me inside after him.

There was hardly room in there for two, but precious little time to think about the practicalities. He had pushed in behind me and there was not even time to turn around because his hands were already squeezing my tits and pinching my nips. I was so full of lust for him that I rubbed my arse against his crotch, and as he pulled up the back of my dress I could feel the ridge of his cock pressing against my arse-crack. Then, with one hard tug, he tore my panties off. Suddenly I felt the massive size of his bell-end nudging between my buttocks.

There was the added thrill of knowing that if anyone who looked at the wide gap under the door would be able to see two pairs of feet in the cubicle and know exactly what was going on. Even so, as he roughly fingered my slit, rubbing briskly between my fanny-lips and bumping against my clitoris, I forgot about anything else but pleasure.

My pussy was dripping as he began to slide first one, then two fingers inside my fanny. I shivered and moaned softly with excitement, then suddenly I was climaxing, shuddering violently and bucking as I came hard on his hand.

I was still coming when he pushed his long thick shaft between my legs. The force of his entry made me widen them further as he split my juice-slicked labia apart with his solid cock. I wanted him fucking me so badly that I rammed my hips back against the fat head of his shaft. My pussy clenched tightly as I felt it push inside me, opening me wide as he plunged himself nuts-deep.

Moving to encourage his powerful thrusts, I closed my eyes, savouring every instant, thrilling to the sensation. The sheer force and selfishness of this fuck made my pussy go into overdrive and I was soon biting on my upper arm, trying to suppress the screams of elation.

He groped my tits as we rocked together, his prick pumping deep inside me with steady rhythmic thrusts. I was wriggling against him each time he entered me, my hips humping back to meet him.

I bit myself hard again as my whole body was racked with a tremendous orgasm. His grip tightened on my boobs, making me squeal as I gave in to it, throwing my head back as I vented my pleasure with only a fleeting hope that some of the sound would be lost in the pounding beat of the club's disco. My fanny clenched around his cock as I responded to his abandoned fucking, and I rode him like a wild woman. Again and again I slammed back against his hammering weapon, until I felt my body trembling frantically and he rocked against me.

His pounding cock seemed to swell even more inside as he prepared to come, and I heard him grunt as he took one final thrust and shot his jism deep inside my thoroughly fucked hole.

Joanne, Milton Keynes

"My fanny clenched around his cock"

True Con

Brenda from Yately likes 'em young, dumb and full of cum...

I love sex, and over the years my urge for a proper hard shag has not diminished. While my hubby has grown a beer belly, subscribed to Sky Sports, and spends most of his leisure time either down the pub or sprawled on the sofa, I still feel the need for cock every now and again.

You see, I have a very high sex-drive, which these days I find can only be satisfied by a horny young man with a good big hard prick. I've kept myself fresh, and for 38 I'm still toned and fit. I also have the benefit of experience, and each time I find a willing young bloke to service me they are always in for the ride of their lives.

My last conquest was Ben, who has just left me feeling so totally satisfied that I felt I just had to sit down have a fag and write about the fucking he gave me. Ben is a student who is staying with my neighbour, Susan. I sometimes give him his meals if Susan is out, and she returns the favour by feeding my kids if I want some free time, too.

Ben is studious and serious about life in general, so I didn't think of him as a possible candidate for a bounce on the bed. However, today when Susan phoned me to ask if I could give him his tea, I had just finished an exciting session with my fave vibrator, and I barely had time to pull some clothes on before Ben pitched up at the door.

He smiled when he saw my dishevelled appearance, and he must have sensed my arousal because he seemed to be studying me intensely. I hadn't had time to put on underwear, and my nipples poked against my thin cotton top. As I bustled around the kitchen I noticed him following my every move.

"his cock was thick, short and erect"

I had just given myself a couple of whopping big orgasms with my vibe so I was still flushed from the pleasure. Without thinking, I began to move in a provocative manner, wiggling my arse and making my boobs bounce as I reached into cupboards. My display wasn't wasted on Ben and he turned his chair sideways from the table and began to watch me with obvious admiration.

Once I saw the swelling in the front of his jeans I knew I was in luck, so just to put him properly on the boil I dropped the lettuce I has been cutting for his salad and bent down to pick it up. Keeping my legs straight, I felt my tight mini-skirt ride up my thighs and knew that he was getting a good look at my pussy. Slyly, I peeped up at him and caught him giving his cock a quick rub through his jeans.

I knew I had him then, and standing back up I asked him to come upstairs and have a look at my bedside lamp, which was a bit faulty. It was a pretty lame excuse, but my pussy was aching and his cock looked fit to burst out of his jeans.

He smiled cheekily as he stood up, not making any attempt to disguise his whopping bulge. Normally Ben is shy and I have to make an effort to squeeze a word out of him, but today he seemed different, and he took the stairs two at a time as I led the way to my bedroom. Of course there was nothing wrong with my lamp and Ben didn't even look at it. Well, not once he saw the towels spread on my bed and the bright pink vibrator I'd left lying on them!

I closed the door and he turned around to me and began to grope my boobs. Not wanting to waste a moment, I unbuckled his belt and unzipped him. His big fingers gripped tightly around my tits, squeezing them hard out of youthful enthusiasm. However, I forgave him for his eagerness, as I knew that he was inexperienced, and the thought of the fresh young meat this young lad was packing more than made up

visit www.paulraymond.com

fessions!

"he finally squirted his seed inside my saturated pussy"

for a few seconds of discomfort.
In fact his boyish clumsiness made me even wetter and desperate to get my lips around his cock. I unbuckled his belt, unzipped him and tugged the back of his jeans and boxers down. His cock was thick, short and erect, the circumcised head deep red and leaking pre-come. I licked my lips, and, pushing him gently so he walked backwards, steered him to the bed, where he obligingly sat down.
Getting into position between Ben's legs, I began to suck on his big, throbbing dick, opening my jaw as wide as I could so that I was able to take his shaft really deep inside my mouth. His hands went to my head, and he entwined his fingers in my hair, his breath becoming short and raspy. Knowing I was driving this young stud crazy was a real turn-on for me, and I started to bob my head up and down on his twitching cock.
Ben moaned and gripped my hair tighter each time I took his prick to the back of my throat. Breathing through my nose as my throat constricted, I fondled the lad's balls, only coming up for air when I felt them tighten and knew he was in imminent danger of spunking. I love giving head, but no way was I going to waste his load until I'd had satisfaction from him!
He groaned in puzzled frustration when I pulled away, although he brightened up no end when I suggested he lick my pussy to get it ready for his cock. Wriggling out of my tight skirt, I lay back on the bed and spread my legs wide to give him a perfect view of my shaven pussy. He was between my thighs in a shot, poking my swollen lips with his fingers and roughly trying to frig me. It was pleasant enough but I wanted to feel his tongue, so I directed him to hold my fanny-lips apart and lick my slit from back to front.
Ben began to do so, making my dripping pussy throb with pleasure. When I instructed him to gently pull the tiny hood back from my clit and suck on it I felt my slit begin to spasm, and when he thrust his tongue deeper inside me I closed my eyes as my back arched and I came so hard that I almost squirted my juices into his mouth.
He held me pinned down as he brought me to a shuddering climax, and I gasped out words of praise and pleasure as he looked at me for confirmation that he had done it right. My knees were still weak as I indicated that my pussy was now ready for his cock, and he shed the remainder of his clothing in a flash.
Then he was on top of me, pushing his thick rod inside my well lubricated cunt. I caught my breath at the ferocity of his thrusts. His fit young body almost winded me as he jack-hammered my pussy with his brick-hard cock, making my juices flow as he forced me to come again and again. My hips bucked under him, desperate to mirror his thrusts, and I gripped his muscular shoulders and back as he rode me like a stallion. Slamming into my pussy, Ben made me squeal as he finally squirted his seed inside my saturated pussy, leaving me feeling like the cat that got the cream.

True Con

Getting a young buck takes years off your age – just ask Sue from Dorset...

I'm not sure what makes a woman a cougar – I'm only in my mid-thirties. But I've got a taste for much-younger blokes, so I guess I qualify!

It's an easy option for me, living where I do – a university town that's also a big tourist area. It's not a case of if I'll pull, just when and who.

Last week, I had an itch my fingers couldn't scratch, so I put on a sexy dress and hung out at a big chain pub where the cheap booze and grub brings the students and backpackers flocking!

I'd barely taken two sips from my wine when Graham chatted me up. At first glance he was a bit geeky with '50s-style glasses, but not wimpy. He offered me a top-up, but I said I had much better drinks back home.

He took me up on it and the tension as we shared a glass was almost unbearable. But I get off on flirting, on teasing, even when we both know where it's all headed!

I got him to unzip my dress, then posed in my undies while he got naked. My pussy tightened as I saw a stiff bulge in the front of his boxers, then his cock jutting up, rock hard and pointing right at me – I perched on the bed and beckoned him over.

I don't see girls Graham's age as competition. Insert your own cliché about experience, women hitting their sexual peak at an older age than blokes do, and so on – I think it's just that there's no messing about. We had a snog, sure, but it was a bit token – I couldn't wait to start playing with his cock, and he was desperate to fondle my tits.

"I had him use his fingers to open up my labia"

He laid me back on the bed, just crouched over me, sucking on my nipples as I wanked him slow and easy. He was a bit overexcited, though, and after about a minute, shot his load all over my belly. He'd cum pretty hard, splashing the underside of my boobs, but seemed a bit embarrassed that he'd spunked so soon. I said if he didn't stop apologising, I'd make him lick it up. He'd have done it, too!

I had a better use for his tongue, though, and told him to lick me 'til I came. He looked a bit daunted by it but he was a natural – helped, I suppose, by the fact that I'm seriously orgasmic! I had him use his fingers to open up my labia, to stretch my pussy really tight. Then he stuck a couple in my hole and licked my clit, squeezing and rolling it up against my pubic bone.

I knew I'd cum whatever, even if I had to give him a little help and guidance. But he was hitting the right spots so I left him to it, maybe just grinding against his mouth now and again for an extra tickle.

It wasn't long before I felt the first tingle, the tension inside that told me I was close. "Harder..." I moaned and his fingers pumped again, then I started to cum, snatch quivering as the pleasure hit. He raised his head, gave me a smile, but I told him to keep licking and not to stop till I was done.

He kept going, bringing me to multiple orgasms, till my pussy felt too tender under his tongue. Then he crawled up, giving me a pussy-flavoured kiss, prick stiff and hot against my body.

As I stroked it with my fingers I wanted so much to tasted it, to lick it all over then wrap my mouth around it. But I didn't want to risk him cumming off too fast again, so I just kept him hard and ready, then played it up against my slit.

As my juices wet his helmet, he looked slightly nervous. Then he asked could we try it doggie-style. He said he'd tried it once, but his girlfriend had hated it – felt it was too impersonal and even uncomfy.

I said maybe his cock was too big for her – he laughed, but I said I was serious. Some girls can't his kind of size that deep. As for impersonal, I didn't agree. With that

fessions!

much meat buried in my cunt, I didn't have to gaze into his eyes to feel a connection! I rolled over, grinned back at him over my shoulder, then waited while he copped a good eyeful of my arse and slit, before guiding his prick inside my wet opening. Again, he got a bit carried away but this time I liked it, hips slamming his prick hard into me. I gave my own clit a bit of a rub, and even when I was clamped around him, cumming hard, he held on. But as my second orgasm kicked in, he let go with a groan and pumped me full of jizz.

It may have been a one-off fuck or the start of a fling – it's too soon to call. But the one thing Graham and I won't be is exclusive. There's too much temptation to resist!

My dirtiest night so far has been with these three Norwegian tourists, all about 21 or 22. I got talking to them in the same pub and offered to let them crash at mine for the night, rather than blow their money on a B&B. One of them, Abel, had done all the chatting up, but Nikolas and Jon were way too horny to banish to the spare room!

They were all tall with nice, fit bodies – not the Vikings you're probably imagining, but more than enough for my needs! I got snogging Abel first, letting his hands roam up my top. He pushed it up then freed my boobs from my bra, sucking on them. Then I felt one of the other lads – Nik, as it turned out – undoing the strap before helping me out of my jeans. Now I stood there in my knickers – nice black lacy ones that matched the bra. Nik and Jon knelt down, one on either side of me, and grabbed the sides of them in their teeth, grinning as they peeled them down. Abel half-tore his clothes off, but the instant my panties pulled clear of my crotch, his hand snaked in between my thighs, feeling the effect they were having on my pussy.

"You wet enough to fuck?" he asked. I normally like more foreplay, but with three cocks to satisfy, we didn't have time to waste.

He laid me on the floor, kneeling up in between my thighs. He toyed with my pussy for a while, fingering and eyeing the folds, his mates inspecting it too. Then he pushed in and started to thrust.

"all of a sudden his dick started spurting"

The other guys were naked as well, standing over me, wanking. I licked my lips and Nik was the one to spot the come-on, dropping to his knees again and feeding me his cock. Jon didn't look that put out – he knelt on my other side and, as I tossed him, he began playing with my tits.

Now Nik grasped the root of his cock, pulled out, and I barely had time for a breath before Jon slipped his in, hands still on my boobs. Nik was wanking himself slow, breathing deep, then all of a sudden his dick started spurting. He aimed the rest of his load at my face, and as the hot cream hit my skin, I sucked even harder on Jon's prick.

Abel was pacing himself, enjoying the show, but now his finger found my clit, and as it circled it, increasing the pressure, I felt myself start to orgasm, too. I moaned, my mouth tugging maybe too hard on Jon's helmet – he gave my tits a firm squeeze. But as I came I kept on sucking, and got a thick load down my throat just a few seconds before Abel filled my pussy with spunk.

The boys backed off to recover, so I just sprawled out stretching myself, smacking my lips at the salty taste in my mouth, hands working the spunk into my face, then slipping down to play with my messy snatch.

One thing I really love about fucking younger men is how soon they're ready to go again after cumming. I'd barely come back down to earth before they asked me to get on all fours and guess which one of them was sliding into me from behind. I ruled out Abel, as he'd already got to fuck me, but I said Jon when it was Nik – and had to suck Jon off as a "forfeit". Some forfeit!

I ended the night, kneeling in the shower while they wanked themselves, aiming at my open mouth. I ended up covered in spunk, then the three of them spent ages sponging every inch of me clean. Next day, I offered to drive them around some local sights, but they needed a lie-in instead!

People might frown on what I do – one mate keeps asking why I don't just find a bloke my own age. Maybe I will one day, maybe I won't. Older blokes come with baggage. Younger men are free and fuckable and for now that'll do me fine!

Sue, Dorset
